ThermiSmooth®
ThermiSmooth treatments use radiofrequency energy and a temperature-controlled hand piece to gently heat targeted tissues below your skin. The treatment stimulates the production of your body's own collagen which increases skin firmness and elasticity to eliminate the appearance of fine lines and wrinkles. This treatment targets fine lines and wrinkles around the mouth and eyes. A series of 4 treatments 2 to 4 weeks apart is recommended for optimal results.

SINGLE TREATMENT: $250 (1 area) or $400 (2 areas)
SERIES OF 4: $800 (1 area) or $1300 (2 areas)

Microdermabrasion
A highly-effective skin resurfacing treatment that combines exfoliation, vacuuming and removal of dead skin cells. Improve skin tone, elasticity, and discoloration; restore clarity and reduce large pores, fine lines and crepiness. Your skin will look and feel dramatically smoother, cleaner and tighter; revealing a fresh, healthy and glowing complexion. Treatment is followed up with a calming facial mask.

SINGLE TREATMENT: $100
SERIES OF 6: $500
ADD ONS:
• Neck & Chest $25
• Hands $25
**Signature Medical-Grade Facial**
Our facials use the most effective protocols, technologies and clinical products tailored specifically to your skin type, including deep pore cleansing, steam, exfoliation, extractions and massage. Enjoy a high-frequency treatment, specialty mask, moisturizer and SPF treatment. Reduce fine lines and wrinkles, prevent stubborn acne, shrink enlarged pores, decongest puffy eyes, fade dark circles around the eyes and improve skin texture. Enhance your skin's overall complexion, appearance, and health while promoting collagen and elastin production.

**Vitalize Peel**
The Vitalize Peel is intended for anti-aging, melasma, sun damage, and acne-prone skin. It contains a proprietary blend of ingredients to help rejuvenate the skin. Achieve visible improvement after one treatment and optimal results after a series of treatments. The Vitalize Peel combines resorcinol, lactic, salicylic and retinoic acid to offer dramatic improvement in texture and tone. The skin appears healthier and more youthful with minimal downtime. *For best results, a series of 3 to 6 treatments every 3 to 4 weeks is recommended.*

**SINGLE TREATMENT: $150**

**SERIES OF 3: $350**

**CoolSculpting®**
A non-surgical procedure that eliminates stubborn fat from the abdomen, flanks, bra rolls, thighs, arms, knees, banana rolls and under the chin. Controlled cooling gently and effectively freezes fat cells underneath the skin while leaving the skin's surface very smooth. This allows for greater penetration of skincare products and creates a flawless canvas for makeup to glide on smoothly. Followed up with a calming mask for the skin.

**SINGLE TREATMENT: $150**

**SERIES OF 6: $2500**

**Dermaplaning**
A method of exfoliation that consists of using a blade to gently scrape off the top layer of dull, dead skin cells in order to reveal a smoother, brighter complexion. Dermaplaning also removes all “peach fuzz” and facial hair, leaving the skin’s surface very smooth. This allows for greater penetration of skincare products and creates a flawless canvas for makeup to glide on smoothly.

**SINGLE TREATMENT: $150**

**ThermiVa® (Vaginal Rejuvenation)**
Uses radiofrequency energy to gently heat tissue so that women can reclaim, restore and revive feminine wellness without discomfort or downtime. The electrode is designed to treat and tighten the internal and external anatomical features of the vagina. The painless treatment takes about 1 hour and is performed by one of our female staff. Many of our patients see immediate results, but will improve over several weeks following the treatment. *We recommend 3 treatments spaced 3 to 4 weeks apart to achieve optimal results.*

**SERIES OF 3: $2500**
